A four week class to meet at the Hanover Area Arts Guild
Due to the overwhelming positive response of the free workshop "Art As Therapy", Deborah Nell will be offering a four week class entitled "Art As Therapy". In this class students will have the opportunity to explore issues in their lives that need closure, further exploration or discovery. No artistic experience is needed. In a safe environment you will learn some new things about yourself through the process of creating art. Deborah Nell is Mental Health Professional and Artist. She uses art with her foster children clients to assist them in exploring and understanding their feelings. Supplies needed: acrylic paints or watercolors, canvas or watercolor paper, colored markers, watercolor pencils, chalk pastels and modeling clay. If you prefer not to bring these supplies, a supply fee of \$30 is required.
The class is limited to 16 people.
