

YOUNG ADULT/ADULT WORKSHOPS & CLASSES *continued...*

DRAW & COLOR II

This class is designed for students who have completed Drawing Essentials and want to start incorporating the element of color. Students will develop skills and techniques incorporating a variety of color media. This may include tempera, colored pencil, watercolor, oil pastels, dry pastels, pan pastels, acrylic, water-soluble oils and oil bars. What ever was not used in Draw & Color I, we will make all attempts to cover in this class. A \$15 materials fee is payable to the instructor and all students should bring an 11x14 wire-bound sketch book, multimedia paper recommended.

STUDIO SESSIONS WITH SAM

These sessions are open to anyone who has completed Drawing Essentials and the Draw & Color sessions, but also open to anyone desiring an Open Studio with great conversation and comradery. While there is no formal instruction, Sam will be there for guidance, technical assistance and objective critiques. Each student will decide on subject and medium and work on projects of their choosing. If the class decides that they want additional instruction in a particular medium or subject, we can go in that direction. A materials fee will be collected by instructor if a student needs to use Sam's supplies. It's a great class that shouldn't be missed! If you don't think you can make every class, you can pay per class (see below).

PHOTOGRAPHY WORKSHOPS WITH CARLA LONG

717-873-7906 thejourneyisthelife@icloud.com

DSRL 101 WORKSHOP

You have a DSRL, but you're not even sure how to take it off the green AUTO button. If you are using your DSRL in the same manner as your smart phone, this workshop is a good place to start. We will learn about caring for equipment, how to hold your camera. This is an introduction to the craft of photography, learning such terms as aperture and shutter speed, as well as what that little flower and what the lady with the hat means. EQUIPMENT: DSRL or camera that allows you to shoot in mode settings.

BASIC DRAWING

Students will learn how to use the right side of the brain to draw more proficiently in the use of varied drawing materials. Techniques and skill development will be fostered in the process of using right brain approaches as we use pencil, charcoal, pen & ink, pastels and other drawing media. One and two point perspective will be taught along with proper shading techniques along with many needed techniques to be an intuitive drawer. Definitely, learning to draw properly is the foundation to using other mediums.

DRAWING ESSENTIALS

The novice student will receive a strong foundation from taking this class. Having taught art for over 40 years, this is my favorite class to teach. Why? Because when I see the growth every student reaches and the pride on the students' faces, it warms my heart. We will start with basic skills, working with value pencils, charcoal, conte, pen and ink, and marker. Each student will learn to use line, value, gesture, proportion and perspective developing their ability "to see" through a variety of subject matter. A \$15 materials fee is to be paid to the instructor. All students should bring an 11"x14" wire-bound sketch book (multi or mixed media is recommended).
